10	Just like any other community right now, housing inventory is low, so that's nothing that's unique to Reedsburg. The aging population have very few choices in Reedsburg and therefore stay in their homesthose homes could be for sale and help alleviate the shortage if those elders had somewhere to go. We have an abundance (and more coming) apartment buildings, but the apartments are far from affordable. Why are we turning into a town of apartments and transiency??	
11	There are not enough 3 bedroom rentals available. Many people that need assistance can't meet the space requirements to rent places.	11/29/2021 11:15 AM
12	Must hold landlords and property owners responsible for property upkeep and rubbish removal.	11/28/2021 11:15 AM
13	No enforcement of dilapidated or junk all over properties	11/25/2021 9:17 PM
14	There are alot of new apartments going up but they are not suitable for families with more than 1 or 2 children. There need to be more options for at least 3 bedroom apartments not just the standard 1 and 2 bedroom apartments.	11/11/2021 12:30 PM
15	Placement of housing. Developments not thought out. If there's an open plot of land, they will build any type of dwelling, business and not think about how that will effect the surroundingsappearence, effectiveness.	11/9/2021 7:37 AM

22	Affordable housing in general is a huge issue I keep seeing. Renting prices for apartments alone has gotten absurd. The down payment needed to purchase your own home is nearly impossible for individuals or families to save up for when the cost of living is so high.	10/11/2021 5:35 PM
23	unsure-I haven't had t look for housing in Reedsburg for many years.	10/7/2021 11:17 AM
24	I am not sure.	10/7/2021 7:52 AM
25	too many damaged homes	10/7/2021 5:05 AM
26	You pay more to rent than to own. Our family was basically forced to buy when our landlord refused to repair a caved in ceiling at our rental property. There were no affordable rentals available and we could not justify paying almost double what a mortgage would cost to rent a 2 bedroom apartment. We purchased a 5 bedroom house in Rock Springs for half the cost of a 2 bedroom apartment within the city limits of Reedsburg.	10/6/2021 4:13 PM
27	We do have a housing challenge, but why? Are new families moving in to town? Are houses for sale too expensive or too run down to fix up? I'm not sure what our biggest challenge actually is.	10/6/2021 3:23 PM

There are plenty of apartments for a town of 10,000	12/4/2021 9:42 AM
Places for people to live downtown are lacking. All types of housing are needed.	12/3/2021 9:22 PM
We moved to the Reedsburg area from Chicago a couple of months ago to enjoy the rural feel of the area while still having access to a suburban community with multiple amenities to make everyday living convenient .	12/2/2021 12:05 PM
Diverse housing will improve our tax base and hopefully encourage private business development.	11/28/2021 11:15 AM
Affordable housing is needed	11/25/2021 9:17 PM
Reedsburg looks unkept, like it's a struggling community.	11/9/2021 7:37 AM
People have been moving away from big cities and Reedsburg has an opportunity to be a safe, appealing destination. I would like to see our growth steered towards those that would contribute to a positive culture.	10/21/2021 5:29 PM
It is very important to have housing options for all income levels. But there seems to be a disproportionate amount of low income apartments going in.	10/19/2021 2:53 PM
I would love to see a housing facility for people with developmental disabilities where they would have safe housing with support.	10/19/2021 11:25 AM
I am not aware of a need for special needs housing, not able to rank.	10/14/2021 3:51 PM
People are paying 2 times a mortgage payment just to rent. Rent should not be more than an AVERAGE 1 week check or no one will get anywhere.	10/13/2021 3:49 AM
A variety of housing options are helpful, as long as there is protection through zoning for the character of single-family home neighborhoods and related growth in value of single-family homes.	10/12/2021 11:03 AM
Older sections of housing should be encouraged to tear down and rebuild efficient homes. Leaving these homes as is create undesirable neighborhoods leading to higher crime rates in those areas. Which creates a drain on city resources	10/12/2021 12:36 AM
Encourage "quality" construction at all levels. Affordable new rental, apartments under \$700 per month	10/11/2021 8:23 PM
Many of the older homes - mine included - were grandfathered in when building codes were introduced. These houses are not built effeciently and have many flaws. I think it would behoove the city to avoid preserving outdated housing in order to provide adequate space for much needed resources, like community gardens and up-to-code housing.	10/11/2021 5:35 PM

17 With the influx of younger and older generations (middle age population does not seem to have the same need as the former groups) in need of suitable housing, it is important to provide a variety of affordable housing. \$1000 a month plus utilities for a 2 bedroom apartment for retirees or those fresh out of school is not affordable.

42 Almost daily I see traffic moving WAY too fast through our downtown area. Pedestrians have trouble crossing at the Walnut St. intersection even with the flashing lights. Some drivers just don't slow down.

1	Stop light coming across from south Dewey to north Dewey, people are always turning when the people going straight have the right away. Causing accidents for no reason. Perhaps maybe more driver education about how to use intersections. Also monitoring more heavily traveled streets for people going way over the speed limits.	12/30/2021 11:22 AM

20	The intersection of S Webb Ave., Railroad St. and Vine St. A roundabout would be much better because you can't see when you are sitting on Vine St. headed west if cars are coming from S Webb Ave. The intersection at S Dewey and STH 33 is also badly lined up if you are on Dewey Ave. There should be another route for trucks to get to the industrial park. Having only one access road on S Dewey is ridiculous with that many trucks going to and from the park. Improve King St. and make that an alternate entrance to the industrial park.	12/3/2021 9:22 PM

29	The corner of E. Main and Viking Dr. Drivers constantly cross over into the other lane when turning instead of staying in their own lane first. Also, the lights at the intersection of Viking Dr. and 8th St. should have arrows. 66	Main street is to congested and busy for our small town. Re-route traffic through business park.	10/7/2021 5:05 AM
67	19th/Dewey should be a 4-way stop, and S. Albert and Main should be lighted.	10/6/2021 11:13 PM
68	Alexander Ave in front of Westside elementary and the 4 way stop by the high school are not pedestrian friendly in the before/after school rush. At Westside, with cars parked along side both sides of the road, it is difficult to see and difficult for the school buses to navigate. The 4 way intersection, drivers do not yield for pedestrians. This would be a great spot for pedestrian lights.	10/6/2021 4:13 PM
69	Main Street & Walnut - dangerous for pedestrians to cross. Also, S. Webb/Vine/Railroad intersection - put in a roundabout?	10/6/2021 3:23 PM

8	Some of the existing roads in town are terrible to drive on. Need replacement.	12/3/2021 9:22 PM
9	The speed limits in town NEED TO BE ENFORCED. Speed limits exist to promote public safety, but they are useless when they are not enforced.	11/29/2021 11:15 AM
10	To attract the next generation of residents we need to diversify transportation modes. Bicycling and foot traffic needs to be safe and desirable. Too much heavy traffic along main. Reroute commercial traffic around the city and introduce public transportation routes.	11/28/2021 11:15 AM
11	Really don't know enough about rail freight to give an informed answer	10/28/2021 2:38 PM

13	I believe public transit would not be a wise investment. There are not enough people who need a ride to justify the cost.	10/21/2021 5:29 PM

17	As much traffic as 8th street in the Webb area see 8th street is in need of upgrading for safety purposes.	10/12/2021 5:43 PM
18	City streets are generally in good shape.	10/12/2021 12:24 PM

19	We don't need bike lanes on our roads. If it is decided to add bike lanes they need to pay for usage of the roads through license of bikes	10/12/2021 12:36 AM
20	A lot of roads have pot holes. North Laurel is full of pot holes. There are roads that have a small part of them ripped up at the start of summer and then stay a giant hole filled with gravel all summer and fall long.	10/11/2021 8:35 PM
21	Would love to see solar roadways utilized - provides solar power for the community, self de- icing with other features. It would be really cool if this technology was used for trails and/or sidewalks roads would be better, but I am sure its a big investment. If we could give these solar roadways a chance to be successful, I think it would benefit many.	10/11/2021 5:35 PM

1	Don't ruin this area with a bunch of new developments and big expansion/green new deal baloney. I grew up in this area, moved to a big city, and chose to return. I wanted to live in a rural area, with fewer people and where the city/government isn't telling me what I can and can't do over every little thing.	12/30/2021 8:10 AM
2	doing a good job	12/28/2021 12:10 PM
3	Remove "Hunting for Children" sign (horrible wording! That is a nature preserve. NO hunting allowed)	12/28/2021 11:31 AM
4	Reedsburg deserves high scores for our size city.	12/28/2021 11:04 AM
5	study and debate the research that's what it is for. Give ear to developers, but be critical.	12/28/2021 10:34 AM
6	Reedsburg is great. Everyone seems to wat to move here! Thank you to the wonderful people who manage city affairs. you are the winners already.	12/28/2021 9:41 AM

8	We need cheaper rent the apartments coming to reedsburg are way to high for people to pay.	12/5/2021 10:31 PM
9	Property taxes are rather high. Keep trains out of town. Make use of Baraboo River Bring in retail stores	12/4/2021 9:42 AM
10	Areas around the Baraboo River where it has flooded the last few times need to be looked for relocation or redeveloped into parks or other things that could be flooded. The flooding will not stop and those areas need to be addressed so we do not keep giving them money to fix their homes.	12/3/2021 9:22 PM
11	You may not see the trend of my answers but Reedsburg needs to replace Shopko I know it now will not happen as the only building that could house that type of shopping is sold, I cannot believe no other retail store would come to Reedsburg, not everyone wants to shop on line	12/2/2021 1:30 PM
12	We need a shopping center in Reedsburg then we don't have to go to Baraboo or the Dells	12/1/2021 5:55 PM
13	I hope the plans for the new dog park location has been given lots of thought and will be improved greatly for anyone to use. Also it would be nice to have a building in town where parties can be held for smaller events that didn't cost a ton.	11/30/2021 9:51 AM
14	I am shocked that I just randomly found out about this survey shortly before the deadline. And I have been a subscriber to the Chamber newsletter forever.	11/29/2021 4:13 PM
15	Encourage the development of pedestrian friendly business in historic Reedsburg. Public areas and tourist attractive businesses. Really tout the 400 trail and biking friendly business related to 400 trail biking. Maybe even Baraboo river sports area. Canoe and kayak rental and public river access.	11/28/2021 11:15 AM
16	Not sure where this applies, but grateful for what the Reedsburg Historic Preservation and Reedsburg Historical Society have done to preserve the local history. Would appreciate consideration given to a downtown location for a History Center that would expand upon the marvelous work that's been done telling the story of Reedsburg and surrounding area through mixed media, provide tours, and perhaps a gift/coffee shop. Perhaps through local/state/federal grants and fundraising would enable a curator/director along with local committee members to be hired to help spearhead this project. Preserving the stories of those who came before us to settle and develop this area is important to maintain as we look ahead	11/23/2021 11:26 AM

to the future of Reedsburg. Thank you, Project Team, for your time and efforts as you develop this Comprehensive Master Plan.

	this comprehensive master Plan.	
17	After the loss of Shopko, Reedsburg desperately needs a large retail store. It needs more restaurants, or it needs to clean up the ones that we do have. The downtown area needs to be cleaned up, become intriging and inviting. It's becoming another battlefield of who can obtain the most buildings and again will remain owned by a few that will continue to financially choke the business-life out of the city. Small businesses cannot afford the over priced rent and stay afloat in a community that doesn't support each other or attract customers to support little shops/restaurants.	11/9/2021 7:37 AM
18	PLEASE don't consider passenger train systems, they cost more than is made up by use & offering rent-able scooters. these caused big problems in Ig cities with being dumped, hit by cars due to improper & impaired use and damage by users. Great idea, poor care and use.	11/1/2021 12:46 PM
19	Glad city has raca building and the uses for it!	10/28/2021 2:38 PM
20	Reedsburg has a good community and some great features (internet, safety, and festivals). If the right developments are made Reedsburg could become the "good" city that people prefer in the area (like Sauk Prairie).	10/21/2021 5:29 PM
21	I look forward to reading about any specific proposals	10/19/2021 2:53 PM
22	I'd like to live in a community that didn't feel so hostile to the youth and young adults who provide their services	10/19/2021 2:29 PM
23	N/a	10/19/2021 11:38 AM
24	Our goal should be to attract tourist traffic that is already nearby in Sauk County as well as to make Reedsburg a vibrant and interesting place to live. We need housing desperately and also need to ensure that our downtown continues to thrive!	10/19/2021 11:25 AM
25	I think city planners of Reedsburg are doing a good job despite our setbacks we have had these past years due to covid. For me the pressing issues are the development of the Movie Theater we have heard that is coming but haven't seen progress and also getting a big box department store into Reedsburg. I would suggest target because the closest one is in Madison. I like to keep my shopping local. Not to the Dells or Baraboo. People like Target.	10/19/2021 12:05 AM

29	Would love to see a few more stores downtown and some type of retailer closer. Driving to the Dells is tiresome and the WalMart there is awful	10/12/2021 12:37 PM
30	These plans are fine but tend to sit on the shelf and be ignored when a potential big development is proposed by a private interest. Past examples:Lands' End is located in an area not identified in the then-city plan for that previous use. Not saying that decision was wrong. The Enrnstmeyer development in the Barbra Ann Drive area was approved despite the city making no effort to include the County V area, creating a town peninsula that may never end.	10/12/2021 12:24 PM
31	Focus residential development to the east and northeast, with commercial support nearby as these are the directions closest to other attractions. Focus industrial development to the south and west to reduce impact on residential life; add infrastructure support to route commercial traffic away from the interior traffic arteries.	10/12/2021 11:03 AM
32	Keep moving our city forward and look at towns like Sauk Prairie on their movement forward. Parks and recreation and our children are our future.	10/12/2021 1:35 AM
33	Increase outdoor recreation opportunities along the river. Like trails to allow fishing. Encourage a canoe landing and company to generate tourists	10/12/2021 12:36 AM
34	industrial areas access , shopping in town. Told to shop local ???	10/11/2021 9:54 PM
35	Preserve historic places; provide space for large scale art projects; let Reedsburg lead	10/11/2021 8:23 PM
	Reedsburg, keep the sense of the heart of the city and its citizens.	

37	Do not want multiple families living in same houses - creates parking issues, One of the things that drew me to this town was the tree lined streets. So many trees have been cut. More trees planted at golf course as have almost gotten hit by golf balls several times recently	10/11/2021 5:47 PM
38	I grew up my entire life in a local fundamentalist christian cult - I am not anti religion, but the type of religion I grew up in is very racist and mysoginistic. I know of many churches that covered up things like pedophilia and child abuse/neglect for the sake of 'saving face.' My brother was regularily threatened with being sent to a conversion camp if he was gay. This is why having non-religious mutual aid is so important. And please start taxing churches they do not provide the type of mutual aid and care for local Reedsburgians to justify a tax break.	10/11/2021 5:35 PM
39	Remove ATV and similar things from the roads	10/11/2021 5:26 PM

41	No but the survey only allowed me to pick one rating for a majority of the questions, like the ones I was asked to rank importance. I could only rate one out of all of the options.	10/8/2021 9:02 AM
42	Well, since you askedI hope this Comp. Master Plan is one that will be adhered to/followed for the next 20+ years. Too often time is spent creating a master plan (for any given group) but then follow through falls apart. Different administration or those in charge develop alternate ideas and even work to minimize/ignore a master plan. How can we be assured this will not happen?	10/6/2021 3:23 PM
